The discovery routes

Discover the rich heritage of Bourg en Gironde at your own pace, thanks to these audioguide visits.

On foot or by car, you can choose between three itineraries to be enjoyed at any time of year. Before you set off, you will be given a map, an explanatory booklet, an audioguide and a game: a fun way of getting to know the history of our area... Let the adventure begin!

Sur les pas de Louis XIV ...

Itinerary on foot / 18 stages

Discover the thrilling history of the ancient village of Bourg through its narrow streets, historical figures and its varied, unusual architecture. This itinerary will take you around the upper and lower towns and to the panoramic viewpoints that give the spot its unique charm.

Terroir d'Histoire ...

Itinerary by car / 16 stages

Set out in the footsteps of the people who shaped the region... Discover the Castle of Mille Secousses or the Mill of Lansac! Enjoy all the atmosphere of the wineries and the incomparable flavour of Côtes de Bourg wines.

Terre d'Estuaire ...

Itinerary by car / 17 stages

Follow this itinerary along the Corniche Route and its Romanesque Churches, and through the prestigious Côtes de Bourg vineyards... Get away from it all and enjoy the magnificent views across the Estuary of the Gironde as they alternate with glimpses of rolling valleys dotted with castles and churches...

Practical Information:

- €3: per audioguide (guide booklet included).
- Audioguides available in French and English.
